2Cub Pack 61 Activities Plan - Draft 20011-12 (9/12/11)

We ask that the boys attend both Den and Pack meetings each month, and participate in our annual popcorn fundraiser. Den meeting dates and times are determined by each individual den. We encourage involvement in the other Pack activities, but understand that schedules do not always permit participation. As a Pack we like to focus our activities, where possible, on outdoor events and community service projects. As the calendar permits, we'll add additional activities in these areas as they arise.

Optional Activities that your family may wish to participate in. These are additional Cub Scout camping activities that are provided by our local scout council that the Pack just can't fit into our schedule. You will find more information and sign up methods on the Pacific Skyline Councils Web site at <http://www.pacsky.org/>
